Mission Statement
The German House serves as a group living arrangement for students with demonstrated interest in the
language and cultural history of Germany and German speaking countries. Students living in the house
host Filmabend and Kaffeeestunde; and are expected to actively participate in these events as well as any
other events sponsored. An important purpose of the House is to bring German culture to the Tufts
campus through events planned by residents of the House. Preference is given to students who study or
speak German, but language knowledge is not an absolute prerequisite.

House Accommodations
The House is conveniently located at 21 Whitfield Road, in the center of the Tufts campus. It is a
three story house, accommodating seven students in single rooms. A living room, and a large kitchen are on
the first floor. There is a front porch, yard, and laundry facilities in the basement. Custodial services are
provided.

Participation in House Activities
As a Small-Group Housing Unit, the German House is required by the University to organize certain
events each semester. These must include social and educational events, and a community outreach
activity. At the German House, these requirements have been met through cultural dinners, film
presentations, lectures and concerts, parties, tutoring and volunteer work. Often events are sponsored
jointly with other Tufts organizations. Residents of the House are expected to help plan and organize
events sponsored by the House. The input of all House members is necessary to make events
successful.

House Management
The House Manager is selected by the German Program and is responsible for various administrative
functions and for implementing programming. In this capacity, the Manager serves as the contact
person for the House Advisor (a faculty member from the German Program) and Residential Life.
Residents must be willing to assist the Manager in fulfilling these obligations.

If you are interested, please detach this information sheet, and submit the attached application (Be sure
