

## American Studies Cluster Declaration Form

### TO DECLARE YOUR CLUSTER IN AMERICAN STUDIES:

Print out this form and after your advisor signs it, turn it in to the American Studies Office, 110 Eaton Hall. If you know your cluster topic when you declare your major, fill in and turn in this form at the same time you declare your major. You must, however, declare a cluster no later than December of your junior year. We suggest that you complete this form when meeting with your advisor prior to spring registration in junior year. Do not confuse this with the blue Declaration of Major form required by the Registrar's Office, which must be submitted prior to the spring registration period for sophomores (or transfer students, or students changing their major), etc.
