MONIKA NAVARRO

LOST SOULS (ANIMAS PERDIDAS):
An Insider’s View of the Latino Family,
National Identity, Immigration Policy and the Law

The immigration debate turned personal for filmmaker Monika Navarro when her uncles Augie and Gino were deported to Mexico. The inquiry and personal journey uncovers something she wasn’t aware of before that is more insidious than immigration policy: addiction.

Monika Navarro received her BFA in Studio Art from the School of the Museum of Fine Arts, Boston and Tufts University. Lost Souls (Animas Perdidas) is Navarro’s first documentary film, for which she won Best Director at the 2009 Boyle Heights Latina Independent Film Extravaganza.
