Architectural Studies Courses Offered Spring 2011 (10/27/10): Courses in **bold** count towards the major’s core requirements. Courses in *italics* count towards the minor. Check the online Tufts Bulletin for correct major and minor information (the printed 2010-11 Bulletin was not properly updated). Note: for Experimental College classes that may count towards the major and minor, check the Ex College website in December.

**Architectural and Art History**

FAH 2       **Art, Politics, and Culture**
FAH 19      Classical Archaeology
FAH 23      Byzantine Art and Architecture
FAH 92-01   Arts of the Medieval Pilgrimage
FAH 92/192-02 Art and Architecture of Renaissance France
FAH 92-03   The American Built Environment
FAH 98      **Senior Project Seminar**
FAH 104     *Greek Art and Archaeology*
FAH 120     *Armenian Art, Architecture and Politics*
FAH 192-03  *The American Built Environment*

**Studio Art**

DR 21       **Computer-Assisted Design: 3-D Modeling**
DR 125      Scene Design
FAM 20      **Design: Foundation**
FAM 21      Design: Intermediate to Advanced
FAM 22      **Design: Architectural (high demand)**
FAM 23      **Intermediate to Advanced Architecture (high demand)**
FAM 26      **Drawing: Foundation**
FAM 39      Graphic Design
FAM 63      Perspective Drawing
FAM 77      Sculpture
FAM 93      Watercolor

**Humanities and Social Sciences**

ANTH 20     **Global Cities**
ANTH 128    Mesoamerican Archaeology
EC 30       Environmental Economics and Policy
ENG 116     **Mapping London**
HIST 123    Industrial America and Urban Society
HIST 290    Material Culture
PHIL 52     Aesthetics
PS 195      **Politics of Sustainable Communities**
PSY 130     Advanced Engineering Psychology
UEP 173     Transportation Planning (upperclass only)
UEP 181     **Homelessness in America**
UEP 201     **Land Use Planning II** (seniors only)
UEP 232     Introduction to GIS (seniors only, with instructor consent)
UEP 272     **Real Estate Development and Finance** (seniors only)
UEP 294-01  **Regional Planning** (upperclass only)
UEP 294-04  **Green Urban Design** (upperclass only)

**Engineering**

CE 1        Introduction to Civil and Environmental Engineering
CE 24       Steel Design
CE 185      Legal Issues of Engineering
ENP 161     Human Factors in Product Design
ES 2        Introduction to Computing in Engineering
ES 9        Applied Mechanics (Strength of Materials)
*ES 27**    **Public Health Engineering**
ES 88       CAD for Engineers
