A course taken as part of one of the CMS minors must be taken for a letter grade (with the exception of EXP99C and EXP190C, which are pass/fail). Courses taken as part of a minor must also be taken for full credit (with the exception of EXP190C, which is half-credit; EXP99C may be taken for half credit, but students who want to count an internship would have to do either two half-credit internships or one full-credit internship). Students may use a maximum of two credits from a CMS minor to count also toward a major, another minor, or their distribution requirements. A maximum of three courses taken outside of Tufts may be applied toward a CMS minor.
