

## SUMMER 2012 MEDIA INTERNSHIPS WITH FALL SEMESTER APPLICATION DEADLINES

Below is a list of some of the most highly competitive, prestigious media internships. Because of the nature of such programs and their more intensive application processes, many have deadlines beginning as early as October. Students who wait until the spring to begin applying for summer internships will miss out on applying for these opportunities. ***Pay careful attention to deadlines!*** The programs below are particularly relevant for graduating seniors and upperclassmen. By clicking the name of an internship you will be brought to a page containing more detailed application information for a given internship site.
