Errata in FROM BACTERIA TO BACH AND BACK, as of March 25, 2017:

1. Accent on p13 (è fatta)  
   --thanks, Doug Hofstadter

2. p39, Jack Michael, not Lou Michaels and in index 465  
   --thanks, Arthur Falk, email 2/24/17

3. page 141 in caption on Figure 7.1. There "differences" is written with only one "f".  
   --thanks, David Strohmeier. 2/25/17

4. Fermilab, not Fermi Lab on p95 and index 458,  
   --thanks, Thomas Frikker, 2/14/17

5. missing word, “men” on p329  
   --thanks, Paul Oppenheim 2/2/17

6. On page 153, fn 39, delete the parenthetical statement in this sentence:  
   An interpreted language in effect compiles each instruction as soon as it is composed (sometimes called “just-in-time compiling”).  
   --thanks, Allan Schiffman 3.1.17

   --thanks, Mattijs Glas.
