The mission of Girl Talk Theatre is to use the art of theatre as a tool for empowering homeless, poor and marginalized women. They offer a safe and nurturing environment for the telling of their stories by teaching theatre classes out of which they create performance opportunities for these women. They seek to honor their experiences, giving them tangible evidence that they are important for what they were, what they are now, and what they can be in the future. This event includes a performance and talkback. We will also be sponsoring a toiletries drive — and encourage every attendee to contribute travel-sized unused toiletry items (toothpaste, shampoos, soaps, face washes, moisturizers, chapsticks , nail polish, makeup samples) to the event.
