April 13, 2018

Congratulations Seniors!

I am pleased to invite you to the Department of Community Health’s Senior Event on Friday, May 18, 2018 at 3 p.m. in the Cohen Auditorium. This ceremony offers us a chance to recognize all our students who have completed the major. This is our department celebration separate from Commencement activities on Sunday. After the ceremony in Cohen, we invite you and your family to a reception at the Remis Sculpture Court to enjoy refreshments and socialize.

During the ceremony, you will be introduced and you will have a chance to say a few words (if you choose to do so). In the past, virtually all students have taken advantage of this opportunity to thank parents or faculty or to mention impactful experiences, such as their research or internship experiences. You will have less than one minute, so plan accordingly.

At conclusion of the ceremony, we will take a group photo. Please stay for the duration of the ceremony so that we can include you in the class photograph.

We ask that you respond to the questions accessible on this link
https://tufts.qualtrics.com/jfe/form/SV_eVzIvskyKdlheEl

We need to know how many students, family and friends will attend this event. Other questions ask about your experiences in Community Health and your next steps. This information is for our department evaluation only and is extremely important to us. This should take less than 5 minutes.

I look forward to seeing you on May 18th.

Sincerely,

Jennifer Allen, ScD, MPH, MSN
