

**Master's in Economics Program  
Department of Economics  
Tufts University**

**ELECTIVE PETITION FORM**

Directions:

Graduate students may petition for any undergraduate course ABOVE EC 108 to count as an MS elective. For this course to be approved it must include additional requirements to make it worthy of an MS elective. These additional requirements can be in the form of additional readings, extra homework, a research paper, or a combination of these. The student, the instructor, and the student's advisor must all agree on these requirements and they must be listed below on this form. The signatures of the student, instructor, and advisor are required for course approval. This form must be completed by the last day for undergraduate students to ADD courses. A copy of the completed form must be given to the student, instructor, and advisor.

Note that undergraduate courses that are pre-approved as MS electives are listed on the official Master's Program Course List. These courses do not require additional work nor do they require the approval of the instructor and the advisor in order to qualify for MS credit.

To apply for graduate credit, please fill out this form with the assistance of the instructor in question, obtain the necessary signatures below and submit the form to the graduate advisor for the purpose of registration.

Student:

Course Number & Title: \_\_\_\_\_

Instructor:

Semester:

The instructor and the student agree that satisfactory performance in this course for the purpose of graduate credit will include, in addition to the stated requirements for all other students, the following requirements:
