

FALL 2017 COURSE

ED 091-01: LANGUAGE ARTS IN ACTION

In this course, students will learn about literacy development in the K-8 experience, effective research based tutoring practices for a range of students and developmental approaches to understanding reading and writing. Once each week, the class will meet at West Somerville School and include an opportunity for each participant to tutor a WSS student.

Open to undergraduates.

Mondays 1:30-4:15PM @ WSS
