

# DECLARATION OF MINOR IN CHILD DEVELOPMENT

Please complete the form and return it to the Department of Child Development.

To fulfill a Minor in Child Development, five courses from the Eliot-Pearson Department of Child Development are required.

**Two** of the five courses are to be chosen from **CD1, CD51, CD151, CD61, CD161, or CD155**, each of which represents a foundation course in the child development areas. **Three** Child Development electives are to be chosen with the assistance of the CD advisor, George Scarlett.

Because one goal of the minor is to introduce students to the various disciplines within the department, **no course substitutions from other departments or other universities will be accepted.** It is the student's responsibility to confirm that all paperwork has been completed so that the minor appears on transcripts.
