Grading: Your University Supervisor (US) has rated you on each of the 5 standards above. These ratings provide you with a sense of how you are doing at this point in the semester. Your US will rate you on the same 5 standards at the end of the semester in order to document to the State of Massachusetts Department of Education that you have met each of their standards. We anticipate that you will continue to develop in each of these areas over the rest of the semester and that the Comments and Next Steps above will help you to do that. At the end of the semester your US in conjunction with the Seminar Leader will give you a grade for the course based on your cumulative performance across the semester. The Key below will provide you with a sense of the relationship between the Mid-Semester ratings, the end-of-semester PPA and your final grade in the course.

KEY		
Mid-Semester Rubric	End of Semester PPA	Grade in Course
1 = Beginning	Does not meet the standard	Less than a B
2 = Progressing	Meets the standard	B or B+
3 = Proficient	Meets the standard	B+ or A-
4 = Advanced	Exceeds the standard	A- or A
