Family Math Day!

Come Join Us For An Afternoon Of Family Math Play!

Math activities will be cooperative, developmentally appropriate and most of all **FUN**.

Activities will be simple and engaging in both process and materials, so that families can work together in similar ways at home, using what they have learned.

**Saturday**
**October 20, 2012**
**1-3:00 pm**

Please reserve a spot for your family
