

Committee on Committees Annual Report 2008-2009

Committee Membership: Martin, Bernhard (Ger/Russ/As) Associate Professor, Chair
 Kaminishi, Ikumi Art (History) Associate Professor
 Remick, Elizabeth (Poli Sci) Associate Professor
 Shin, Lisa (Psychology) Associate Professor
 Vogel, Richard (Civil & Environmental Eng) Professor

The Committee on Committees successfully ran the 2009 committee elections and staffed the non-elected committees. The new database that records the committee preferences of faculty members made the staffing of the non-elected committees a lot easier. I also want to use this report to acknowledge the important contribution of the Secretary of the Faculty, Jillian Dubman. Without her organizational skills and administrative support, the task of the Committee on Committees would be considerably more difficult and time consuming.
