The A&S&E Grievance Panel met twice during the 2006–2007 academic year: on September 14, 2006, and March 28, 2007. The officers for the 2006–2007 academic year were elected, as indicated below. A change was required since Andrew McClellan, whose term on the panel was to continue and who had been elected chair for 2006–2007, was unable to serve because he became a member of the administration.
