The OAC met each month during the 2010-11 academic year.

Accomplishments:

Prepared a timeline to prepare for the upcoming ABET visit in Fall 2011.

Prepared a who-supplies-what template for the eight separate ABET self-studies needed for the ABET visit.

Reviewed the implementation of the 2011 Engineering Employer Survey.

Reviewed the implementation of the 2011 First Year Student Survey.

Reviewed the implementation of the 2011 Sophomore Student Survey.

Reviewed the implementation of the 2011 Senior Student Survey.

Reviewed the implementation of the 2011 Alumni Survey.

Initiated SOE preparations for the upcoming NEASC visit in March 2013.

Used the OAC wiki as a repository for common sections needed for ABET self-study reports, including course syllabi for common courses.

Activities:

Implemented and used a wiki for repository of OAC documents and shared materials at: https://wikis.uit.tufts.edu/confluence/display/SOE/Home

Coordinated preparation for the ABET accreditation visit to occur Fall 2011 for the BSBME, BSCH, BSCE, BSCPE, BSCS, BSEE, BSEVE, and BSME programs in SOE.

Reviewed results of 2011 Engineering Employer Survey.

Reviewed retention and graduation data for Tufts and peer institutions.
