Bestselling author and prize-winning economist Ha-Joon Chang, will give a talk on his recently published book, ECONOMICS: The User’s Guide. He will provide a clear, comprehensive guide to understanding the controversial science and its implications in our everyday lives. He will offer an engaging view of the global economy that represents the best of economic theory and analysis, but is also accessible to the general public.

Ha-Joon Chang teaches economics at Cambridge University. His books include international bestsellers Kicking Away the Ladder and 23 Things They Don’t Tell You About Capitalism. In 2005, GDAE awarded him the Leontief Prize for Advancing the Frontiers of Economic Thought.
