Feeding Illusions: 
Agribusiness, Family Farmers, and the Future of Food
Timothy A. Wise

If the goal is to help farmers in developing countries grow more of their own food, why do our leaders consistently promote policies that favor large-scale agriculture over small-scale food production? Wise will present findings from his forthcoming book on agriculture in Malawi, Tanzania, Mozambique, Zambia, India, Mexico.

Monday, December 5, 12:30-1:45
Cabot 702, The Fletcher School

Lunch will be served
