

Are you looking for ways to improve your language skills? Do you want to keep up a language that you don't have time to take for credit? Are you learning a language not offered at Tufts? Do you want to help others learn a language that you know? Do you want to practice speaking and other skills in a fun and informal way? Tufts Tandem is here for you. It provides a platform for people like you to find others who can help you learn and practice or whom you can help. You can go to www.snipurl.com/tuftstdandem to find out more and to get started.

Tufts Tandem is a language exchange, a conversation partnership program for anyone who wants to practice their language skills in an informal way with another person who is willing to help, and who can get help in turn with a language they are learning. Find out more at www.snipurl.com/tuftstandem: login with your Tufts UTLN and password and get started!
