

A JEWISH LANGUAGE FOR ALL OCCASIONS: LADINO CULTURE AND LITERATURE

A TALK BY *Prof Devin Naar*.
UNIVERSITY OF WASHINGTON

Today, comparatively little is known about the world of the Sephardic Jewish language, Ladino.

Ladino once permeated every aspect of Jewish life in Greece, Turkey, and the Balkans—folk culture, oral traditions, politics, and literature.

This presentation traces the rise and fall of Ladino culture, especially in the city of Salonica, once home to the largest Ladino-speaking community in the world.

WEDNESDAY, OCT. 18, 7:00–9:00 PM
