Fall 2009 Old Curriculum Course Announcement

The IR Program has approved each course listed in this announcement for one or more requirement within the Old Curriculum. The course listing is in alphabetical order by department with the IR approved requirement(s) next to each course. Please refer to the guide (Key Code Guide) on page 2 for a list of all the IR requirements and how you can identify them throughout the course announcement.

Included in this announcement:

- I. Key Code to IR Requirements
- II. IR Special Courses
- III. Fall 2009 IR Approved Courses

IMPORTANT REMINDER:

When registering for courses, remember to DOUBLE-CHECK with the department listings and SIS for any changes that may have occurred since the publication of this announcement. Changes often occur right up to the opening day of registration.

The IR Program offers **Special Courses** that, while optional, are closely integrated with program requirements. They provide alternatives designed to enhance a major's course of study—especially by supporting student pursuit of research, or independent work under the guidance of IR Core Faculty members.

1. Thematic Concentration Course Alternatives

One (1) of the courses required for a student's Thematic Concentration may be fulfilled by an academic project designed to deepen intellectual interests related to the concentration. Both the IR Internship and IR Independent Study require close collaboration with a member of the IR Core Faculty.

As these are high demand courses, if you intend to register for either alternative project, you must submit your proposal to the IR Program Office in Cabot 605, preferably before the end of the Spring semester. Please see the IR Handbook or the IR website (<http://ase.tufts.edu/ir/internshipPolicy.htm> and <http://ase.tufts.edu/ir/irIndependentStudy.htm>) for details and requirements.

INTR 99 IR Internship (High Demand)

INTR 193 Independent Study (High Demand)

2. Seminar Requirement Research Alternative

Students who do not find a suitable seminar to fulfill the IR Senior Seminar/Research Requirement or who for other reasons wish to satisfy the requirement through research may opt to complete a one-semester Directed Research Project. Directed Research is a significant research undertaking requiring the direct supervision of a member of the IR Core faculty.

As this is a high demand course, if you intend to register for a Directed Research project you must submit your proposal to the IR Program Office in Cabot 605, preferably before the end of the Spring semester. Please see the IR Handbook or the IR website (<http://ase.tufts.edu/ir/researchOppThesis-Directed.htm>) for details and requirements.

INTR 195 Directed Research (High Demand)

3. Senior Honors Thesis

Students who do not find a suitable seminar to fulfill the IR Senior Seminar/Research Requirement or who for other reasons wish to satisfy the requirement through research may opt to complete a two semester Senior Honors Thesis. A senior thesis is a significant research undertaking requiring the direct supervision of a member of the IR Core faculty.

As this is a high demand course, if you intend to register for a senior thesis you must submit your proposal to the IR Program Office in Cabot 605, preferably before the end of the Spring semester. Please see the IR Handbook or the IR website (<http://ase.tufts.edu/ir/researchOppThesis-Directed.htm#registration>) for registration instructions and additional details.
