

IR PLANNING AND CONCENTRATION FORM - PART B

Thematic Concentration 2A: International Trade

Please note that you may use a single course to meet more than one requirement within the Thematic Concentration as long as at least 7 courses are completed toward the concentration. You may not double count courses between Core Requirements and Thematic Concentrations (e.g. It is required to take EC 161 for Thematic Concentration 2A, so you cannot use EC 161 for your Core Requirement 3).

Note on transfer of credit: If you have completed any of the IR requirements through transfer course work (i.e. study abroad), please place a "T" before the title of the course on the concentration form. **IMPORTANT:** Make sure your transfer courses have not only been approved by Tufts, but have been approved by the IR Program (use the Request for IR Credit "green" forms available in the IR Office, Cabot 605 or download the form off the IR website).
