

IR PLANNING AND CONCENTRATION FORM - **PART B**
 Thematic Concentration 2C: International Environmental Economics

Student Name: _____ ID #: _____

Please note that you may use a single course to meet more than one requirement as long as at least **7** courses are completed toward the concentration. Students choosing TC2C may want to be particularly attentive to double-counting as they have an additional requirement. If a student does not double count courses, s/he may need to complete more than 7 courses to meet all requirements. An additional line * is provided for such cases. A course meeting a Core Requirement may not be double counted towards a Thematic Concentration requirement.

Transfer of credit courses: If you have completed any of the IR requirements through transfer course work (including Tufts Programs Abroad), please place a “**T**” before the title of the course on the concentration form. **REMINDER:** Make sure your transfer courses have not only been approved by Tufts, but have been approved by the IR Program (use the Request for IR Credit “green” forms available in the IR Office or download the form off the IR website).
