IR PLANNING AND CONCENTRATION FORM - **PART B**
Thematic Concentration 3: Global Health, Nutrition and the Environment

Please note that you may use a single course to meet more than one requirement as long as at least 7 courses are completed toward the concentration. If a student does not double count courses, s/he may need to complete more than 7 courses to meet all requirements. An additional line * is provided for such cases. A course meeting a Core Requirement may not be double counted towards a Thematic Concentration requirement.

Note on transfer of credit: If you have completed any of the IR requirements through transfer course work (i.e. study abroad), please place a "T" before the title of the course on the concentration form. IMPORTANT: Make sure your transfer courses have not only been approved by Tufts, but have been approved by the IR Program (use the Request for IR Credit "green" forms available in the IR Office, Cabot 605 or download the form off the IR website).

(Check all that apply for each course)

	Intro Course	Natural Science	Quant Reason	History & Policy	Culture	US Role in World	Capstone/ Research
1. Sem/Yr:_____ Required (circle one): BIO 7 **or** BIO 14	____	____	____	____	____	____	____
