

IR PLANNING AND CONCENTRATION FORM - PART B

Thematic Concentration 4: International Security

Students must take a total of 7 courses that fulfill the following requirements: 2 social science courses, 1 history course, 1 culture course, 1 course on the role of the US in the world, 1 capstone research course (senior seminar, honors thesis, or directed research), and no more than 3 courses of the 7 may be an introductory level course.

Note that students may take a course that can satisfy more than one of these requirements; however, they must take no less than 7 total courses within their chosen concentration. For example, a student may take a history course that can satisfy both the history requirement AND the capstone requirement but they will still need to take a total of 7 concentration courses. A course meeting a Core Requirement may not be double counted towards a Thematic Concentration requirement.

Note on transfer of credit: If you have completed any of the IR requirements through transfer course work (i.e. study abroad), please place a "T" before the title of the course on the concentration form. **IMPORTANT:** Make sure your transfer courses have not only been approved by Tufts, but have been approved by the IR Program (use the Request for IR Credit "green" forms available in the IR Office, Cabot 605 or download the form off the IR website).
