Notes on Pricing:

- Non-Technical Rehearsals also include general interest meetings and any other activity that does not use lighting or other technical equipment in the theatre but do cause wear and tear on Cohen Auditorium.
- In the instance when there is a rehearsal the same day as a performance, or a non-technical rehearsal the same day as a technical rehearsal, only the larger charge will be incurred.
- Single performances will be charged the <4 hour rate for lighting, multiple performances on the same day will be charged the base rate for the 1st performance and then the hourly rate for additional performances.
- The price break at 4 hours reflects the usual rehearsal block in the theatre.
- Most groups who use Cohen require two house manager shifts per performance, or \$100/show. If the House manger shift goes beyond 4 hours because of the length of the show an additional \$12 per hour will be charged.
- Only Sarabande uses the Dance Marley, and only once for each show.
- The late fee will be charged to groups who do not complete all of the Cohen Auditorium paperwork at least 10 days before their first rehearsal date.
- ***Cleaning Charge** is punitive. If a group leaves props, scenery or costumes in Cohen or backstage for more than 24 hours after the completion of the event, including removing tape from the stage floor, a cleaning charge will be imposed.
