Camp Starfish Summer Internship

Camp Starfish is looking for the next great summer staff for their male cabins! Are you that person? To answer the question, "How will I make a difference this summer in the life of a child?", you only need to look as far as Camp Starfish. And, the campers aren't the only ones who grow at camp. As a member of the staff team at Starfish, you'll have an opportunity to meet and work with people who have a diverse range of experiences and who come from many different cultures and backgrounds. There are unlimited opportunities to learn, make friends, build connections for your future, and of course, help emotionally-, behaviorally-, socially- and learning-challenged children to have the summer of their lives!

At Starfish, we care about each of our staff members as individuals. That's why we set you up in a mentoring group (we call them Torchgroups) and help you find the right role at camp. We encourage you to check out the info below and learn more about our pre-camp staff training (you'll be so ready when the kids get here!), our internship and certification opportunities (earn academic credit for your paid work at Camp Starfish!) and how we ensure that you have the supervision and the support you need to do your best work on behalf of the kids at camp.

To apply, visit www.campstarfish.org and view the "Summer Staff" section of our website for more details. We look forward to receiving your application today!
