Students volunteering for Commencement Week activities with student groups and students with athletic commitments during Commencement Week must have their supervisor or coach submit a group or team list to Residential Life and Learning by 5 p.m. on Friday, April 17, 2009.

I understand that the Office of Residential Life and Learning must approve this request and that, if granted, I am expected to know and abide by the letter of and the spirit of the community standards which are outlined for residential students in Habitats (on-line at <http://ase.tufts.edu/reslife>) and the Pachyderm on-line at <http://studentservices.tufts.edu/pachyderm/>). I further understand that violations of said standards may result in judicial action. I understand that temporary housing past noon on May 18, 2009, requires me to move from my spring semester assignment between 9 a.m. and 5 p.m. on May 18, 2009, and into a double or triple occupancy room in the summer residence hall. I further understand that, unless waived by Residential Life and Learning, a \$25 per day charge will be applied to my bursar account.
