

# Tufts University Day of Silence

---

*project*

Wednesday, April 9, 2003

Join thousands of students from over 1,500 schools across the nation in this grass-roots action to raise awareness of the harassment and discrimination faced by lesbian, gay, bisexual, and transgender (LGBT) people and their allies by taking a vow of silence for the day.

## If you don't do one thing tomorrow, don't speak.

- Pick up stickers, “speaking cards,” participation suggestions, and more either in the Mayer Campus Center on Wednesday, or right now at the LGBT Center (the second floor of the yellow house on the corners of Talbot Ave, College Ave, and Professors Row).
- Then, be quiet all day – give “speaking cards” to your friends and professors – and come to a rally to break the silence at 6 PM.

**Your participation is crucial to the success of this event!**

**All Day:** Stop by the **campus center**, learn more about this project and take a **vow of silence**.

**6 PM:** Breaking the Silence **Rally** on the **Tisch Library Roof**.

**8 PM:** Latina lesbian comedian **Marga Gomez** performs in **Barnum 008**.

Take this day to consider how you can make your own voice stronger and begin to stop silencing yourself.
