Beyond the Classroom
Student Forum for Research on Women, Gender, and Sexuality
Open to all students.

The Beyond the Classroom Student Forum for Research on Women, Gender, and Sexuality Across the Disciplines will be held on **Friday, April 8, 2016.**

The forum is an opportunity for students to share their work on women, gender, and/or sexuality with the wider Tufts community. Undergraduate and graduate students from a range of majors present abstracts of research papers or creative projects done in classes or independent studies during the previous year. Thematic panels are organized to highlight dynamic intersections of different topics and formats. Students present for 5-7 minutes each and then engage as a panel in discussion with the audience. Faculty moderators help students prepare their presentations, introduce the panels, and facilitate the discussion.

Please consider submitting your work! We welcome submissions of any length. All submissions should be made to the WGSS office at 111 Eaton Hall or by email to wgss@tufts.edu by the **deadline:** **Friday, February 26, 2016**

**The selection process:**

- Please submit a copy of your paper or project, and include the following information (or the completed form): Name, phone number, email, major, graduation year, and title of your submission. (Original work will be returned upon request.)

- Attach a letter or email stating, **“If selected, I will be available on Friday, April 8, 2016, to present my work”**

- A selection committee will carefully consider all submissions. Selection will be based on the quality of work, representation from different disciplines, and how submissions fit together to create dynamic panels. Unfortunately, we cannot always accept all of the excellent work submitted and hope you will consider resubmission next year should your work not be selected this time.

- If your work is selected, your panel moderator will meet with you to assist in preparing your presentation.

Thank you for submitting your work for consideration. For additional information please email wgss@tufts.edu or sarah.pinto@tufts.edu.
