Are you coming to the Boston area to look for an apartment and need a place to stay during your visit? The Graduate Student Council (GSC), in conjunction with the Tufts University Conference Bureau, has instituted a Temporary Summer Housing program. This program will make affordable temporary housing available for graduate students who may need a place to stay while looking for a permanent place to live. The cost of the housing will be partially subsidized by the GSC.

Dormitory style single rooms in Latin Way will be provided at a rate of $30 per night ($40 per night double occupancy) for a maximum of 1 week. Students who need to stay longer than a week will be charged the full price of $46 per night ($56 per night double occupancy) for every night over the 1 week maximum. The rooms are cleaned daily with bed and bath linens provided. Athletic and Recreational facilities as well as campus parking passes are available free of charge during your stay. Meals are available at the dining hall on a cash basis. In room telephone service can be arranged at an additional cost. Emergency medical services are also available through Tufts Health Services at an additional cost. The program will run from June 2 through August 12, 2006. Rooms must be reserved and paid for at least one full week in advance. We can only accept cash, checks, or money orders in U.S. dollars.

For reservations or more information please contact the GSC Office Manager David Proctor at david.proctor@tufts.edu or by phone at 617-627-3213.

The GSC represents graduate students in the Arts, Sciences, and Engineering in all aspects of campus life. Check out and bookmark our webpage http://ase.tufts.edu/gsc/ for your connection to your GSC.
The Graduate Student Council and the Tufts University Conference Bureau would like to offer a limited amount of temporary housing during the summer months for those interested in arriving early to seek permanent housing.

The Tufts University Conference Bureau will be offering single rooms in Latin Way, one of the traditional-style residence halls, located here on the Medford Campus. Rooms include a single bed, linens, and a dresser. There are shared bathrooms along the halls. The residence hall will have a reception and security desk that is staffed 24 hours per day, offering information on the campus and local area. No kitchen facilities are available in the residence halls, but meals are available on a cash basis at the dining hall.

The Graduate Student Council will be subsidizing part of the cost of a room, bringing the rate down to $30 per night. Payment should be sent along with this form. We can only accept cash, checks, or money orders in U.S. dollars. Please make checks or money orders payable to: Trustees of Tufts College.

Rooms are not guaranteed and will be available on a first come, first served basis between the dates of June 2 and August 12, 2006

Please fill out the response form below if you are interested in these accommodations. You will receive a confirmation if a room is available, at which time you will receive more check-in information.
