

ENGLISH DEPARTMENT MINOR CHECK SHEET
 To be submitted with a copy of your Unofficial Transcript.

The Minor in English requires students to take **six** courses in the English Department. Fulfillment of the Writing Requirement is a prerequisite for upper-level English courses. English 1, 2, 3, and 4 do *not* count toward the Minor. The purpose of the minor is to allow students to experiment widely or to follow a particular interest with some concentration. Therefore each minor will be individual not only in content but also in concept. To that end, all students are expected to plan a coherent program of study that leads to breadth, pursues a specialized interest, or combines these two objectives. Whatever course of study they construct, students are encouraged to include at least one course numbered below 100 and one above 100 and to consult with faculty members as they pursue their minors.

- If you have a minor, no more than two course credits used toward the minor may be used toward foundation, distribution, major, or other minor requirements.
- A grade of C- or higher is required for all courses.
- Only courses offered by the English Department or cross-listed with an English Department registration number can count towards the minor.
- Ex-College courses may not be counted towards the minor.
- Museum School courses taken through the Department of Visual and Critical Studies, including those offered through the SMFA English Program, may not be counted towards the minor in English.
- No more than two transfer courses may count for minor credit. These must be taken in an English department.
- Students may count a maximum of three creative writing courses (defined as courses numbered English 0005- 0016) towards the minor.
