

# Fall 2016 IR Course Announcement

Included in this announcement:

- I. FAQ's
- II. Fall 2016 IR Core and Thematic Concentration Courses
- III. Fall 2016 Research Methods Courses
- IV. Fall 2016 Culture Courses (by linguistic region) for TC2 and TC3

## IMPORTANT NOTES

- \* **Research methods course requirement:** The research methods requirement is required for the Class of 2018 and beyond in all thematic concentrations except for TC3 (which already has its own quantitative reasoning requirement). Methods courses are listed in Section III. ANY course listed under research methods fulfills the requirement.
- \* **Course numbers often change.** Do not assume that a particular course number will count for a specific IR requirement from semester to semester. Always check for **the course titles**.
- \* **Prerequisites and High Demand:** Check with individual departments for upper level courses that may have prerequisites and/or high demand registration instructions.
- \* **Double check SIS** for any changes that may have occurred since the publication of this announcement.

# I. FREQUENTLY ASKED QUESTIONS

**1. If a course meets both a Core Requirement and a Thematic Concentration Requirement or a language course and a concentration culture requirement, can I double count it?** **No.** A single course may count towards only one requirement type: (I) Core Requirement, (II) Thematic Concentration, or (III) Language.

**2. Can a single course satisfy more than one requirement within my thematic concentration?** **Yes.** For example, if your concentration is TC1D, you could use ARB 192-Seminar: Arabs and Westerners for your Culture, US Role and Capstone requirements. Remember, though, you still need to take a total of at least 7 courses within your concentration.

**3. If I am exempt from Parts I and II of the Tufts Language requirement, have I fulfilled the IR Language requirement?** **No.** Parts I and II only account for 6 semesters of language. IR requires 8 semesters of language (or the equivalent). For detailed info on the IR Language Requirement, go to the IR website.

**4. How do I get courses taken abroad approved for IR credit?** It's best to contact the IR Program before taking the courses. You should not assume that courses are automatically acceptable for the IR major. You will need to provide a course syllabus and/or a course description and reading list. This applies to both Tufts and non-Tufts programs abroad. If you are taking courses in a non-Tufts program, you will ALSO need to obtain transfer of credit from the appropriate department following the steps on SIS. You will still need to obtain IR credit approval from the IR Program.

**5. How many courses from abroad may I use for my IR major?** No more than a total of three (3) courses taken abroad may be applied toward the 12-course IR major requirement, only one (1) of which can be applied toward the IR Core requirements. There is no limit on language courses taken abroad for the IR major language requirement.

## **A FEW POINTS TO KEEP IN MIND:**

1. IR courses may also count toward university distribution requirements.
2. IR courses can also be applied toward a second major (see Tufts Bulletin for overlapping policy).
3. A grade of C- or better is required for all IR courses.
4. No course taken pass/fail may be used within the IR major.
5. International Relations does not offer a minor.
6. Capstone/seminar requirement MUST be completed on the Tufts Medford campus.

*Students considering a major in International Relations are welcome to visit the IR staff in Cabot 605. They can explain the requirements, discuss study abroad, and help with finding an advisor. An early focus can lend greater coherence and depth to IR coursework over the course of a student's career at Tufts.*
